Life is like a journey taken on a train,

with a pair of travelers

at each window pane

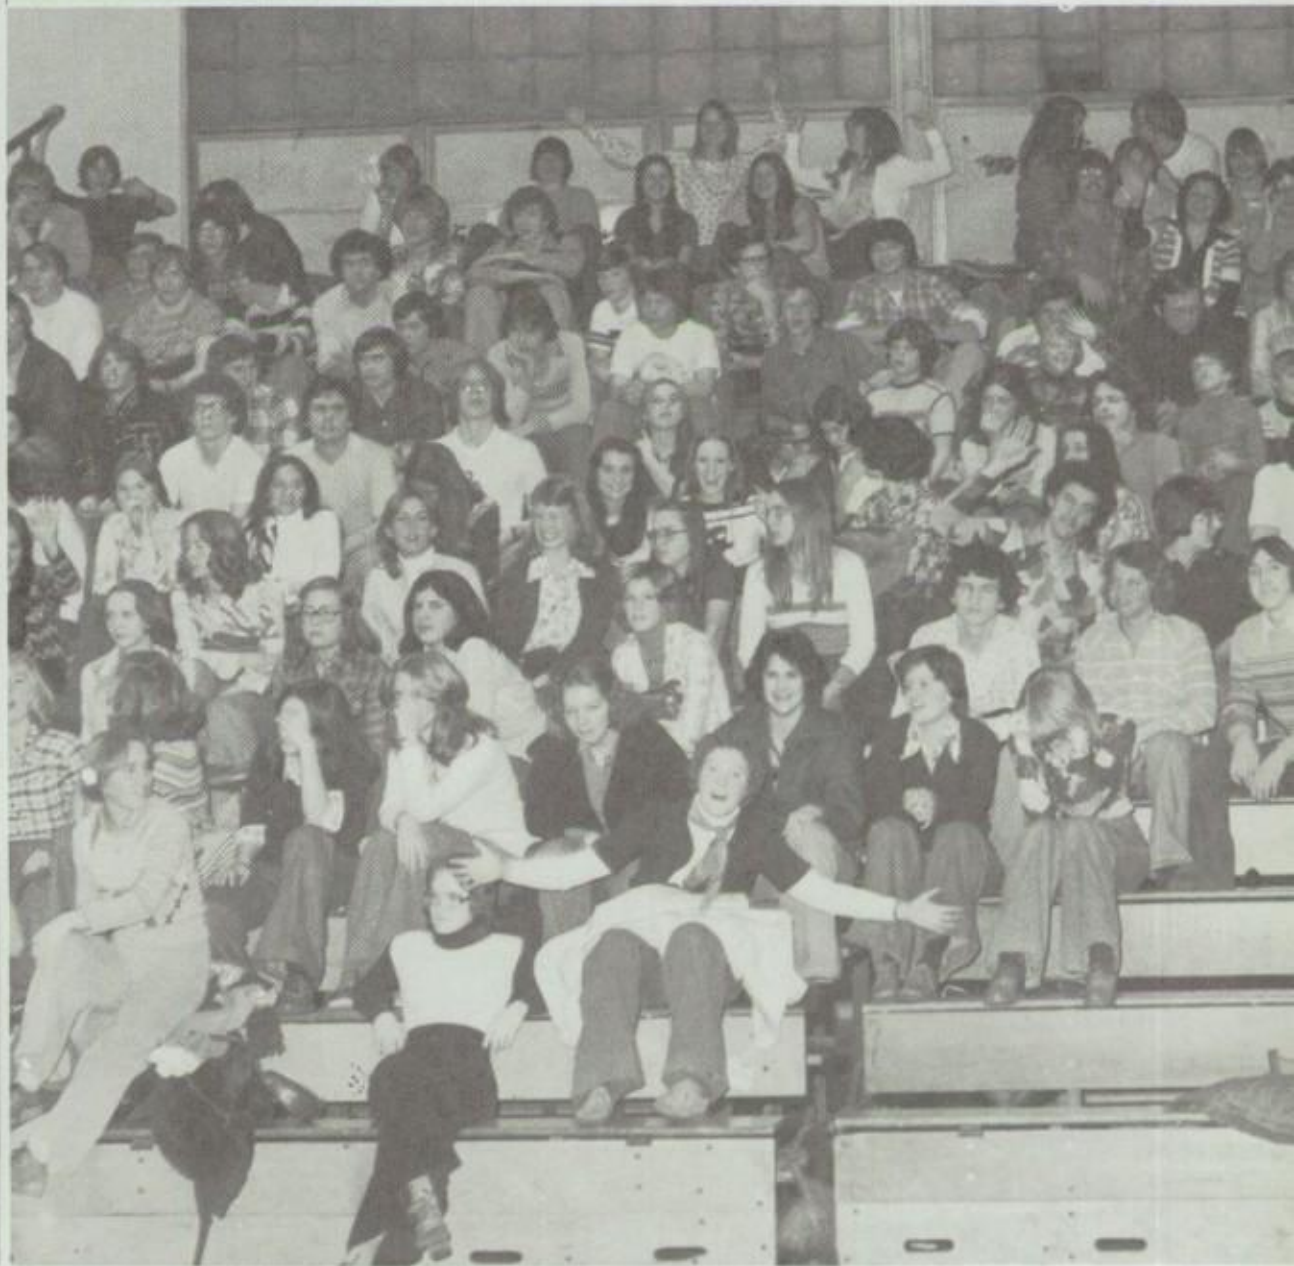

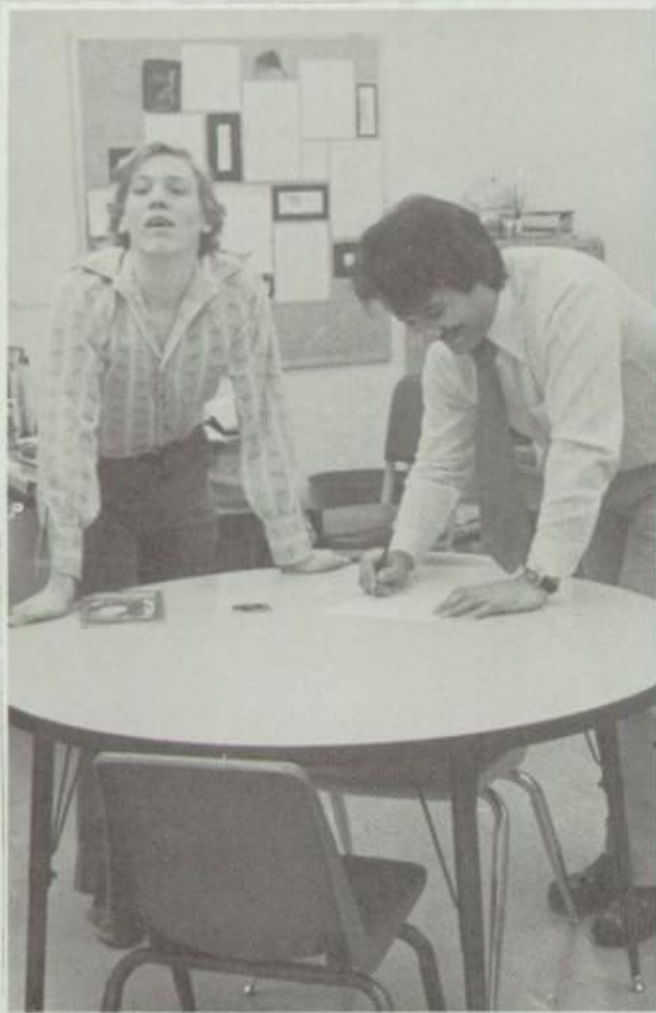

I may sit beside you all the journey through

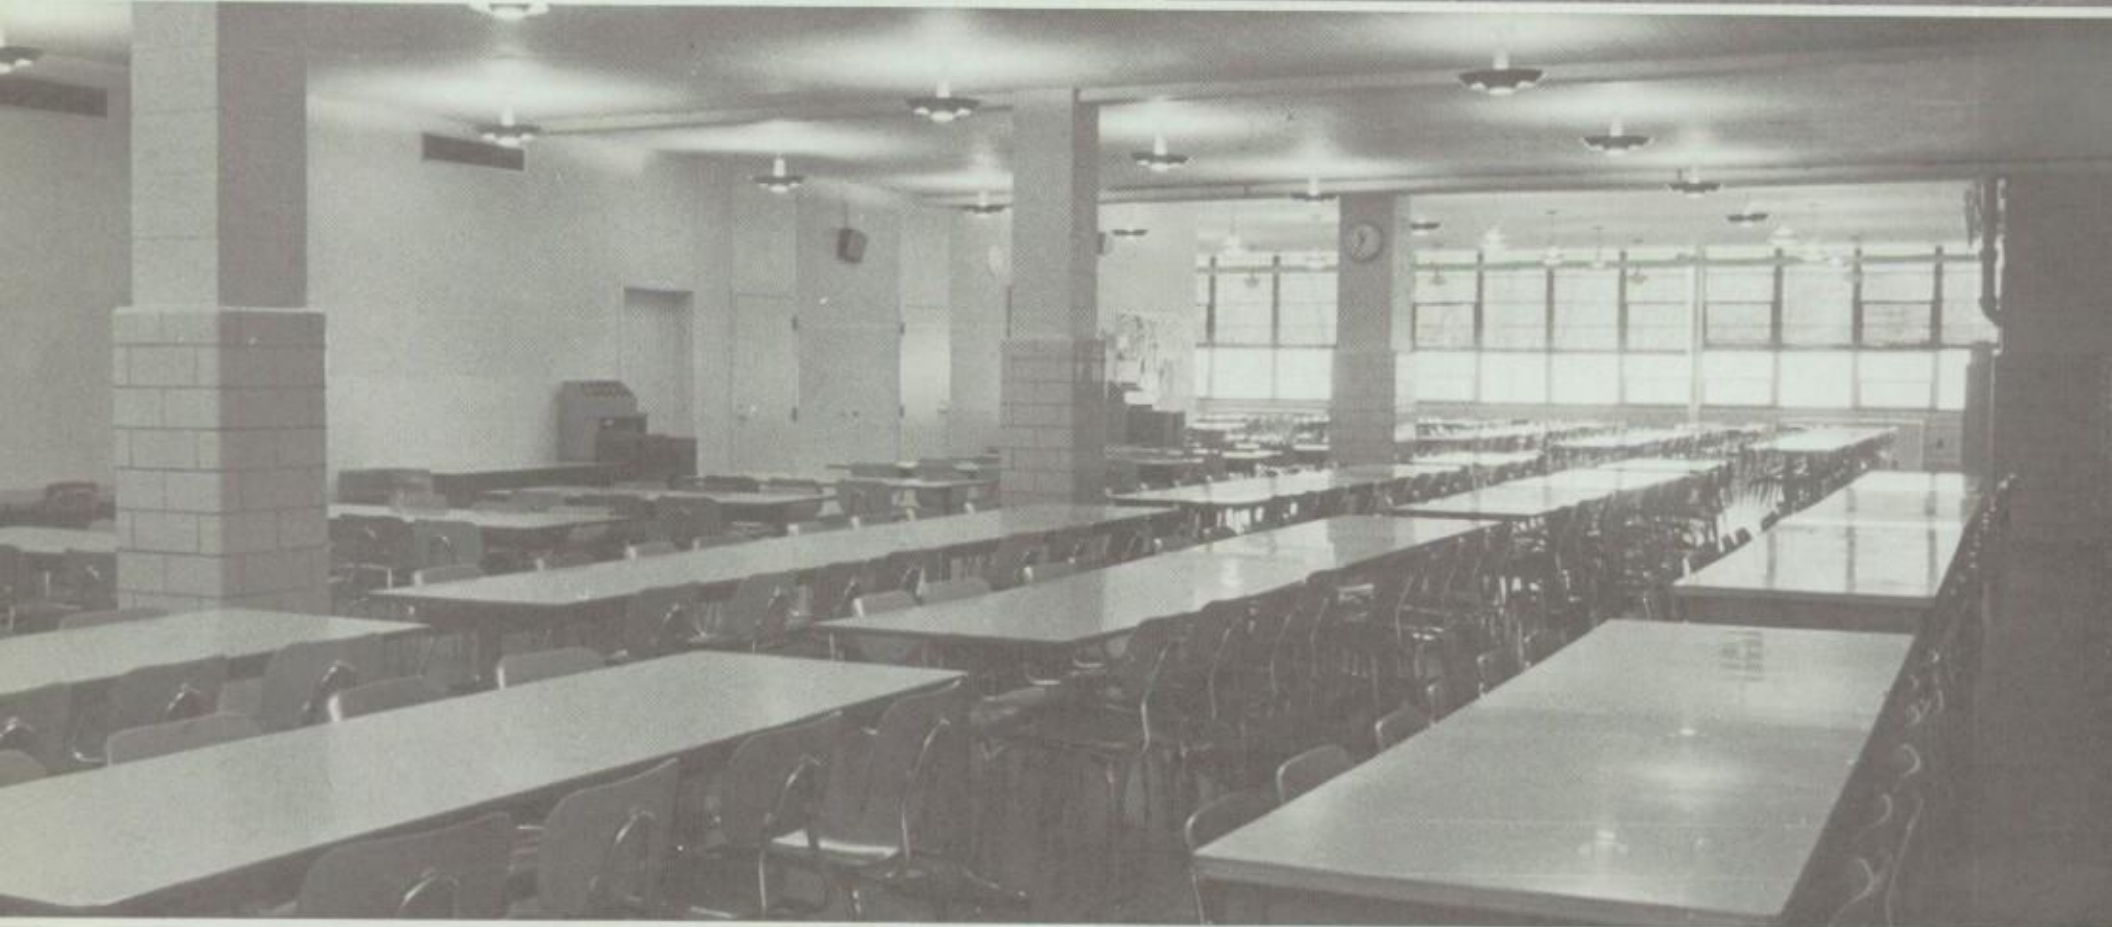

or I may sit
elsewhere never knowing you

but if fate should mark me to sit by your side

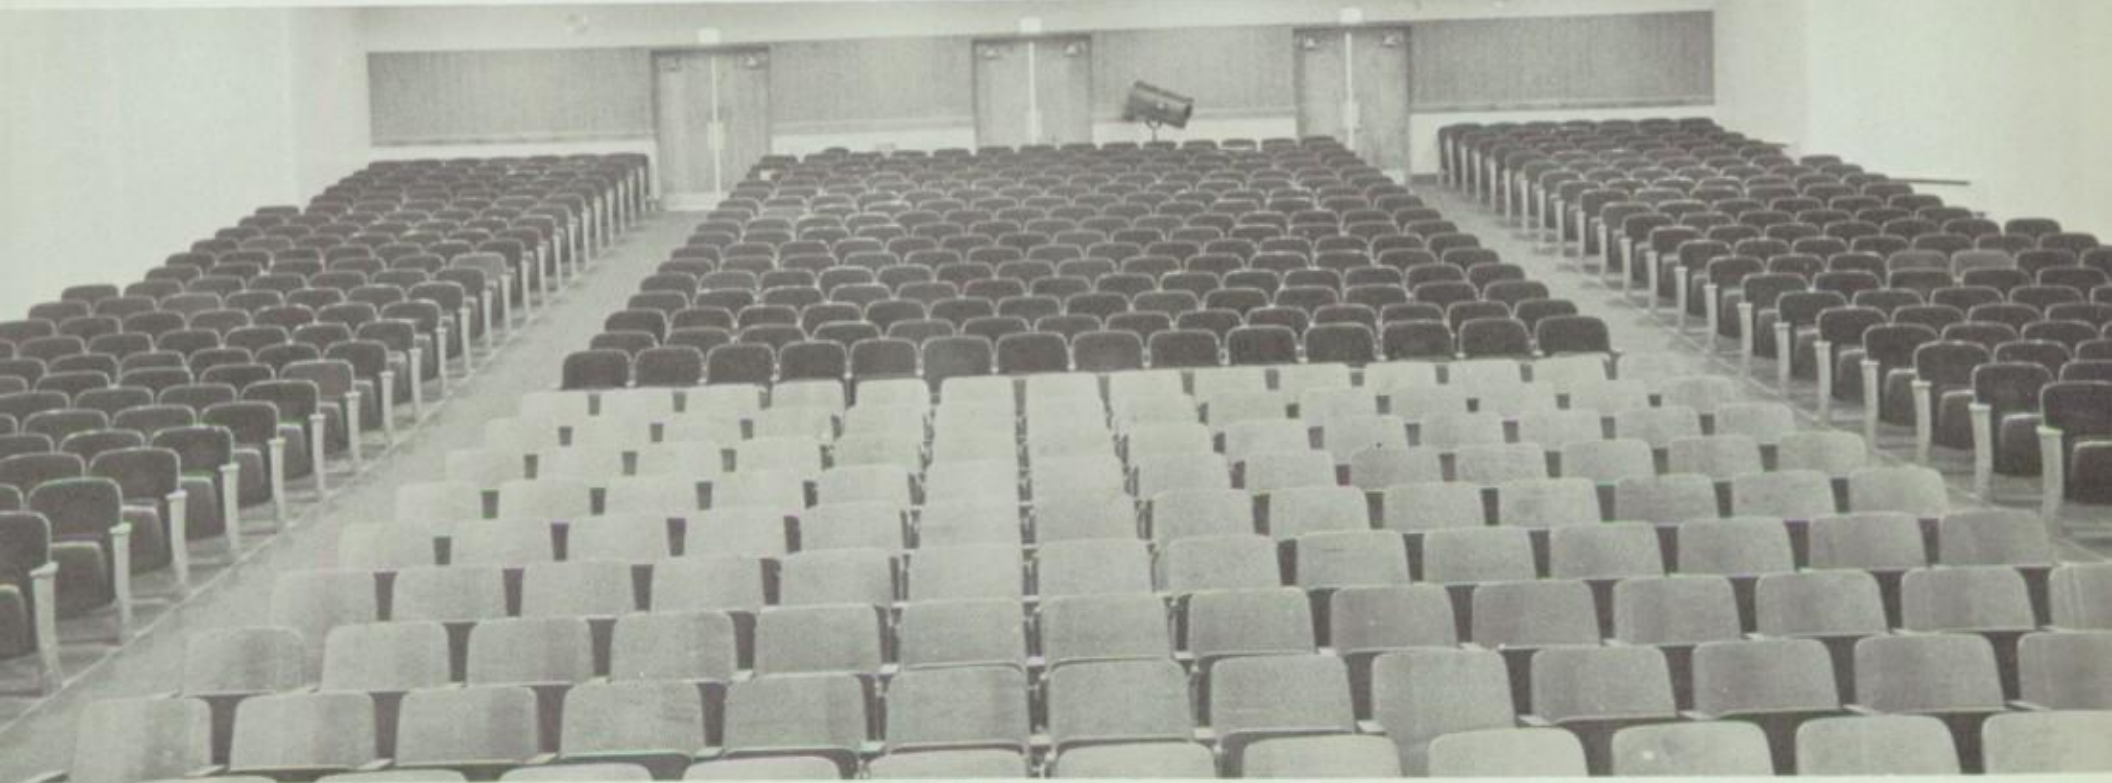

let's be pleasant travelers

it's so short a ride.

Brace yourself;

the New Monticello

is here!

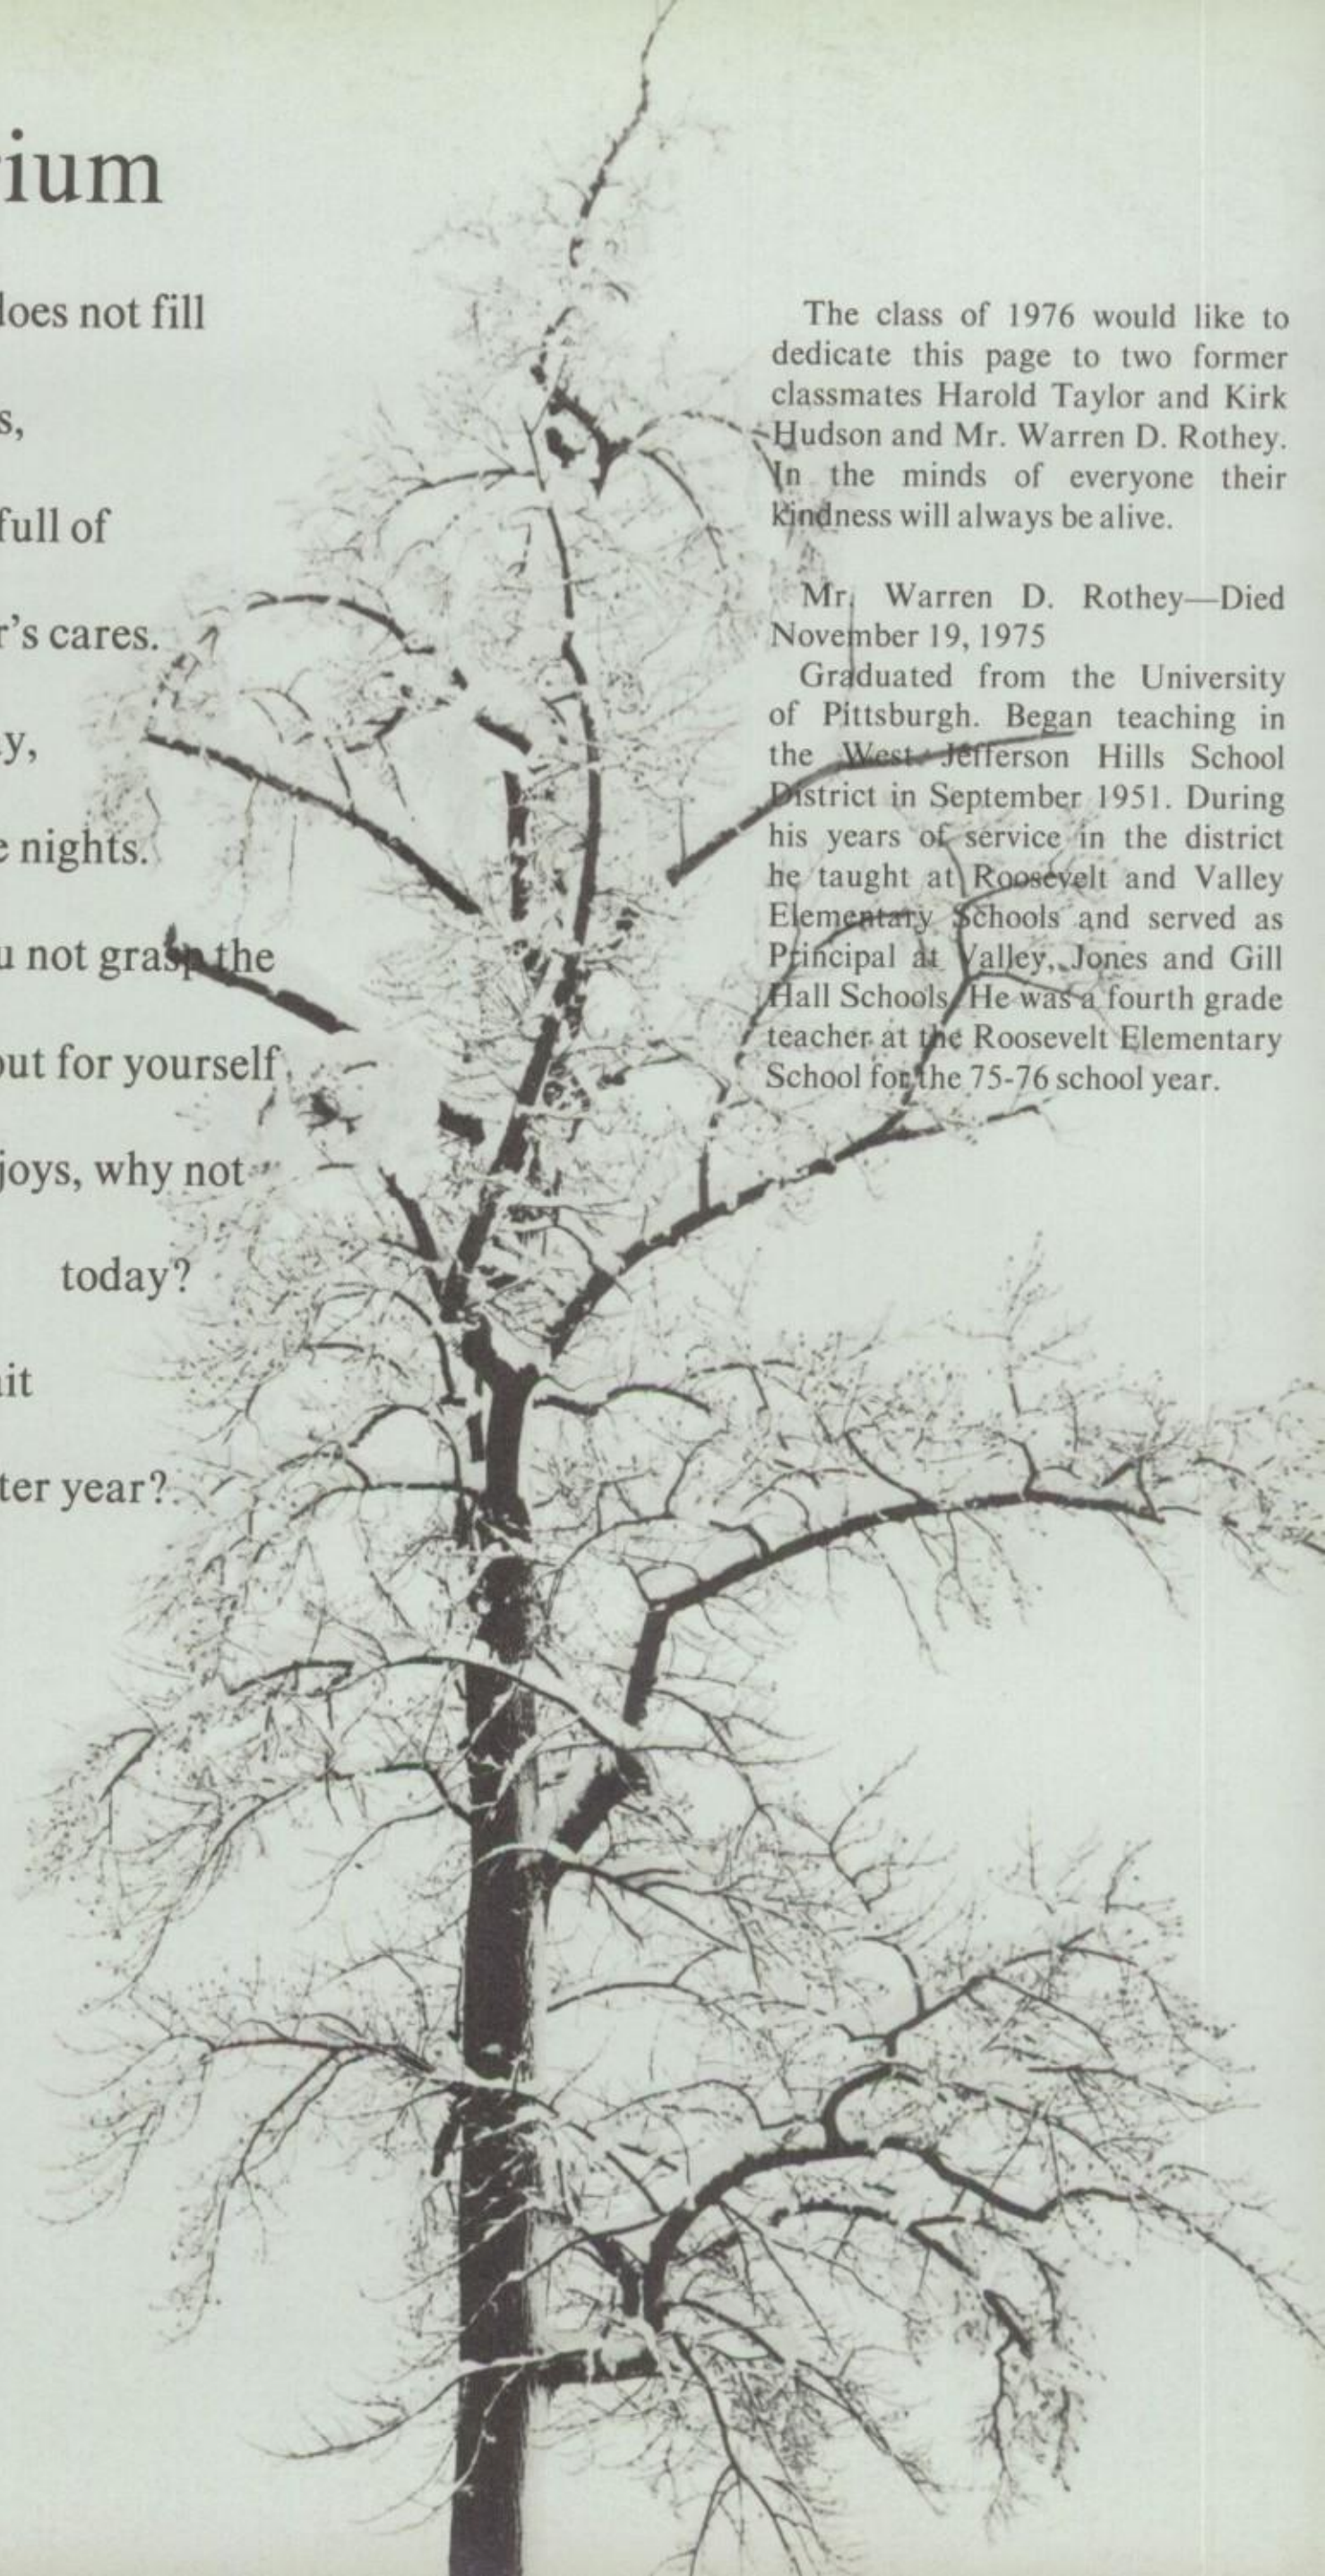

In Memorium

Man's life does not fill
A hundred years,
But always is it full of
A thousand year's cares.
Short the midday,
Bitter long the nights.
Why then do you not grasp the
Lamp, seeking out for yourself
The short-lived joys, why not
today?
Why will you wait
Year after year?

The class of 1976 would like to dedicate this page to two former classmates Harold Taylor and Kirk Hudson and Mr. Warren D. Rothey. In the minds of everyone their kindness will always be alive.

OH SO CLOSE!!!

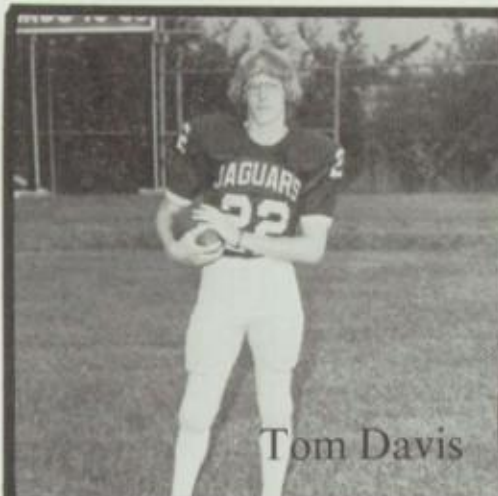

GREYHOUNDS END OUR W.P.I.A.L. DREAMS

The support of TJ's 12th man rallied Bap's boys back into action. Shaken by three heartbreaking injuries to senior linemen Ted Lipnicky, Roy Virgin, and Tom Buches, our defense was questionable. Despite the stats, indicating our superiority over Monessen in every way, our rivals were the victors by a one point margin. Along with the Charleroi upset, the guys felt that all hope was lost. However, on the Friday that followed, the student body performed a pep rally the likes of which had never been seen in the school's history. With the senior class leading the cheers, the gymnasium trembled. The 12th man literally brought life back into the team by proving our loyalty and love for the guys. That night TJ stomped West Mifflin North by the score of 16-0. In the games that followed, TJ showed their potential by yielding only 28 pts. to their opponents in the last 7 games. Climaxing the season with a 14-8 victory over Ringgold TJ insured a second place standing. TJ's teamwork, a unifying force with the 12th man, stunned both the WPIAL and the Big Ten Conference.

Jaguar Varsity Marching Band

This year's Jaguar marching band, as in past years, has been noted as one of the outstanding bands in the state. Along with two band festivals held in Baldwin and Thomas Jefferson, they performed a bicentennial salute which included the sixth, seventh, eighth and JV bands. A forty yard flag, fireworks, and over one thousand balloons added to this memorable event. In past years, with help from the Band Parents Association and West Jefferson Hills, the band has been able to experience trips to Mexico, and last year to Florida. The band marched through (a soggy) Disneyworld and performed an excellent outdoor concert at Cypress Gardens. Besides visiting these places, Mr. Tucci and Co. spent time at St. Petersburg beach, on a boat cruise, at a dude ranch, and at a Polynesian luau where Mr. Solomon learned a new dance Polynesian style. The trip was a memorable and educational experience.

AFFECTION/SECTION

You're doing "what" after the game?

The rape of the lock?

Kiss you?! You're kidding

Couldn't Robert Redford and I be twins?

Are you a French major?

It takes two hands to handle a whopper.

Kiss me you fool!

I wanna hold your hand

We've been fighting!

I think I can take it from here!

She's got legs!

Must have been funny!

Shrimp and dip!

Later!

You're kidding!

Did you know you've got a zit on your chin?

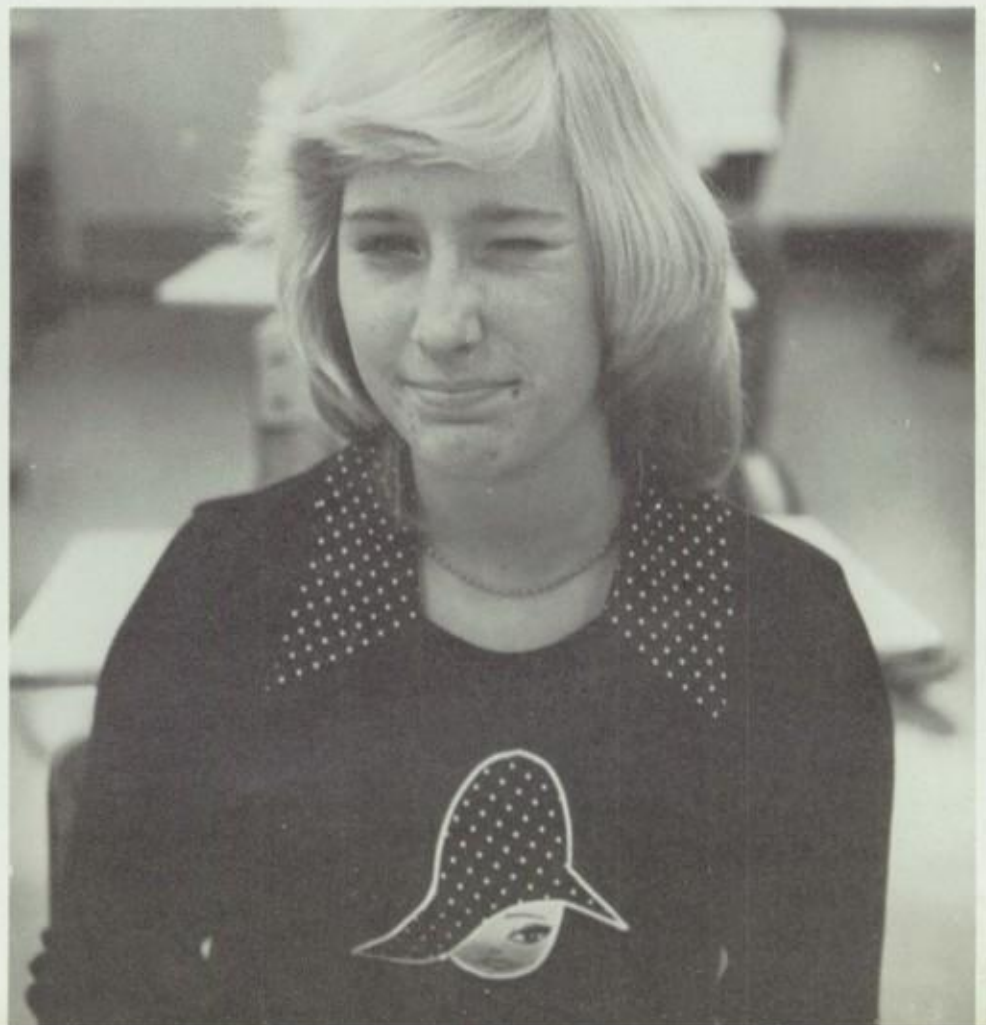

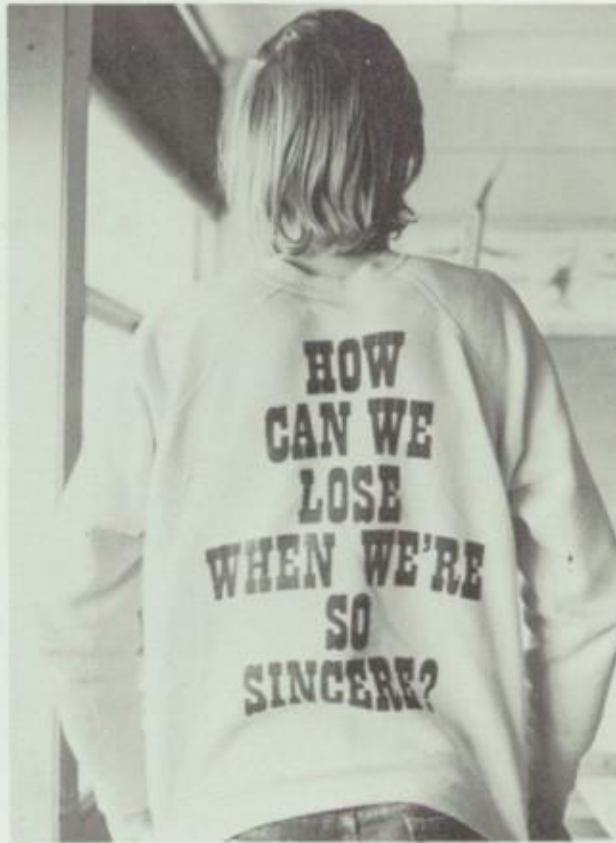

You're never gonna believe this but

An unofficial hall(as) pass!

T SHIRTS

AS THE STOMACH TURNS

Weigh 'em for yourself honey.

I think I'm gonna be sick!

Mr. Kloock's fan club's weekly meeting.

That good, huh?

A table for six please.

And in another day, we can use it for penicillin

I'd like to talk to you about laxatives.

Waiter!

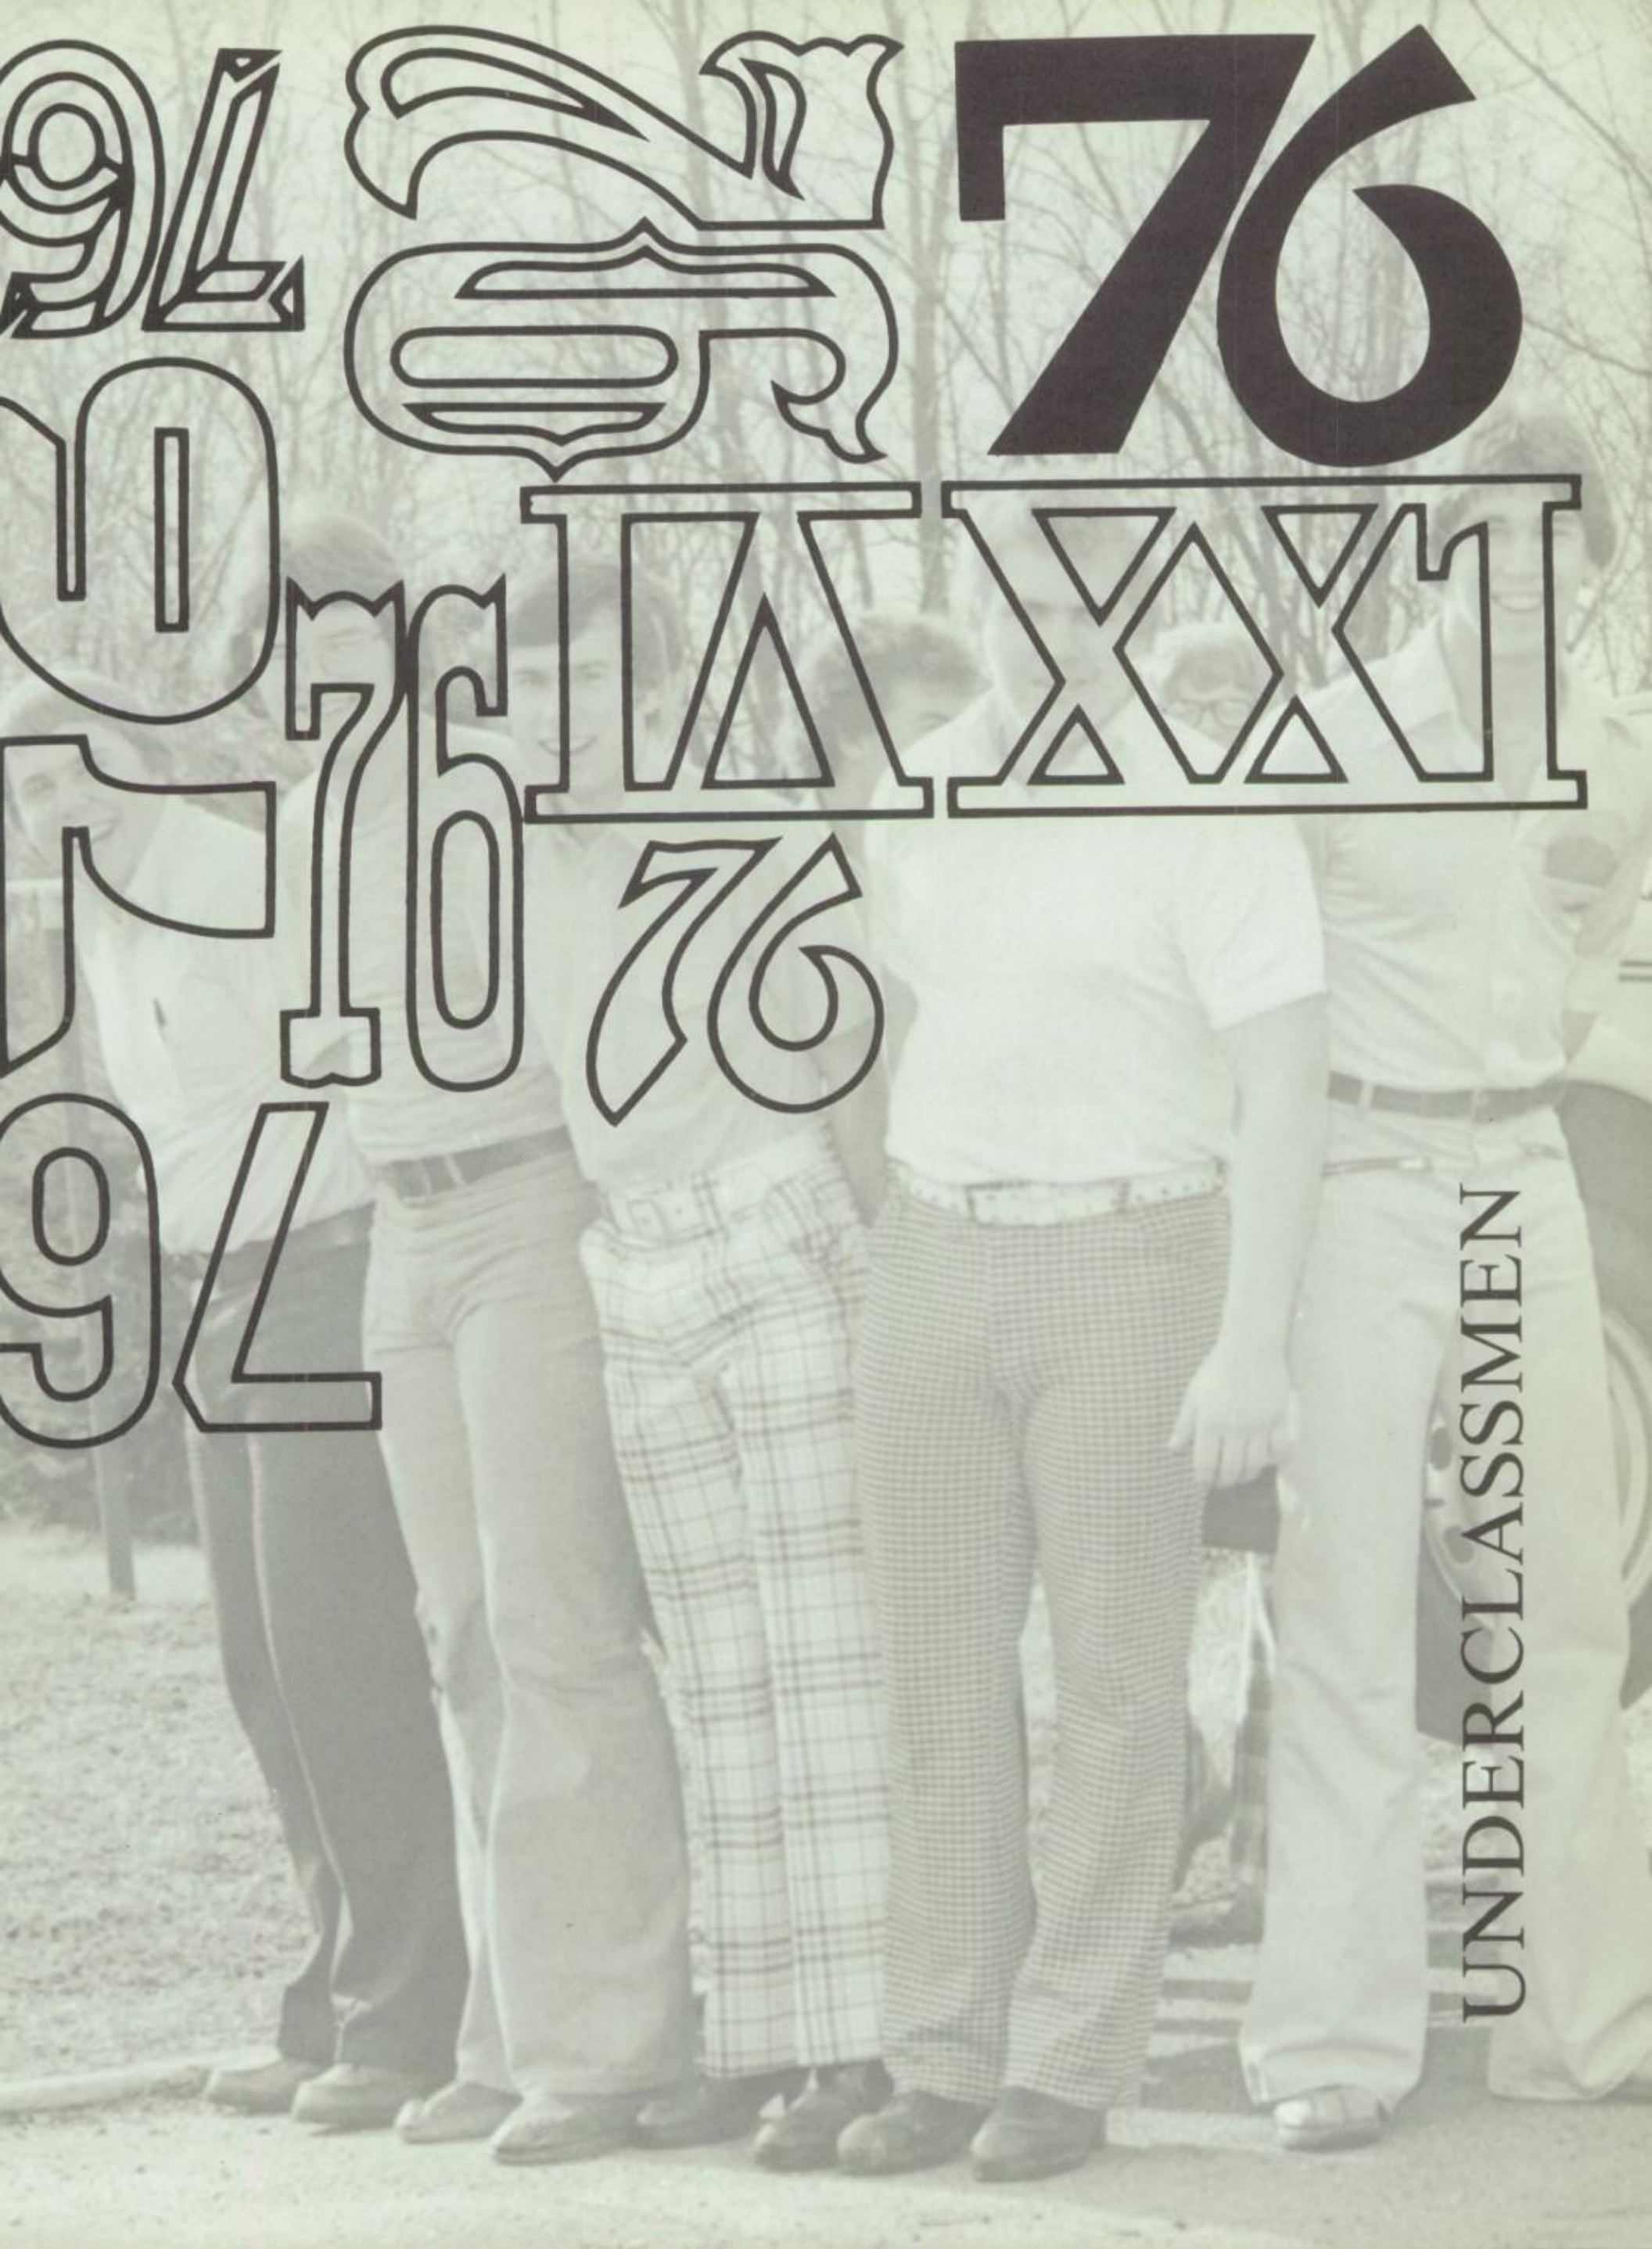

This is the way we scoop the slop!

Cheers!

And this is for dessert.

Freebird

If I leave here tomorrow
Would you still remember me?
For I must be travelling on, now,
'Cause there's too many places I've
got to see.

But if I stayed here with you, girl,
Things just couldn't be the same.
'Cause I'm as free as a bird, now,
And this bird you cannot change.
Lord knows, I can't change.

Bye, bye, it's been a sweet love,
Though this feeling I can't change,
But, please don't take it so badly,
'Cause the Lord knows I'm to blame.
But if I stayed here with you, girl,
Things just couldn't be the same.
'Cause I'm as free as a bird, now,

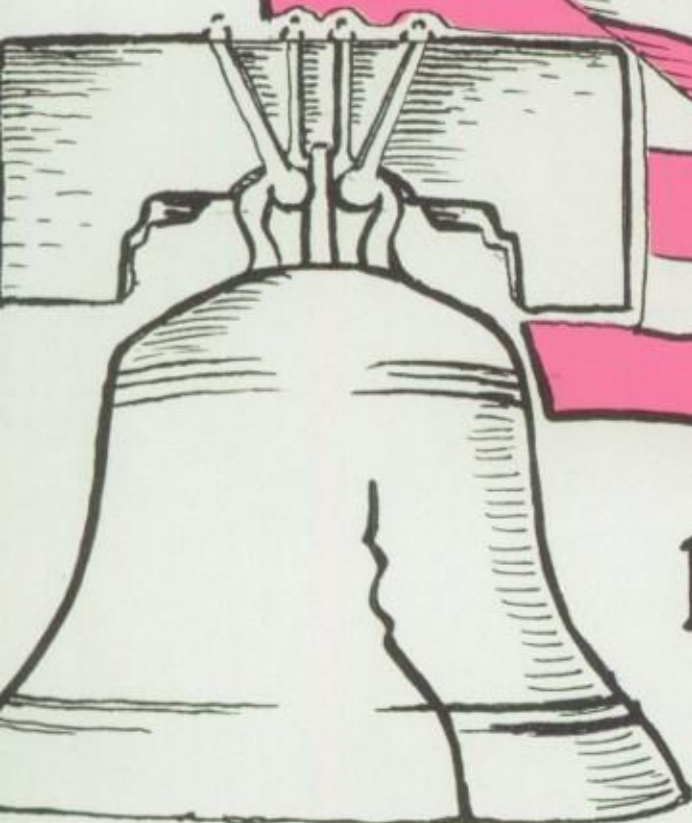

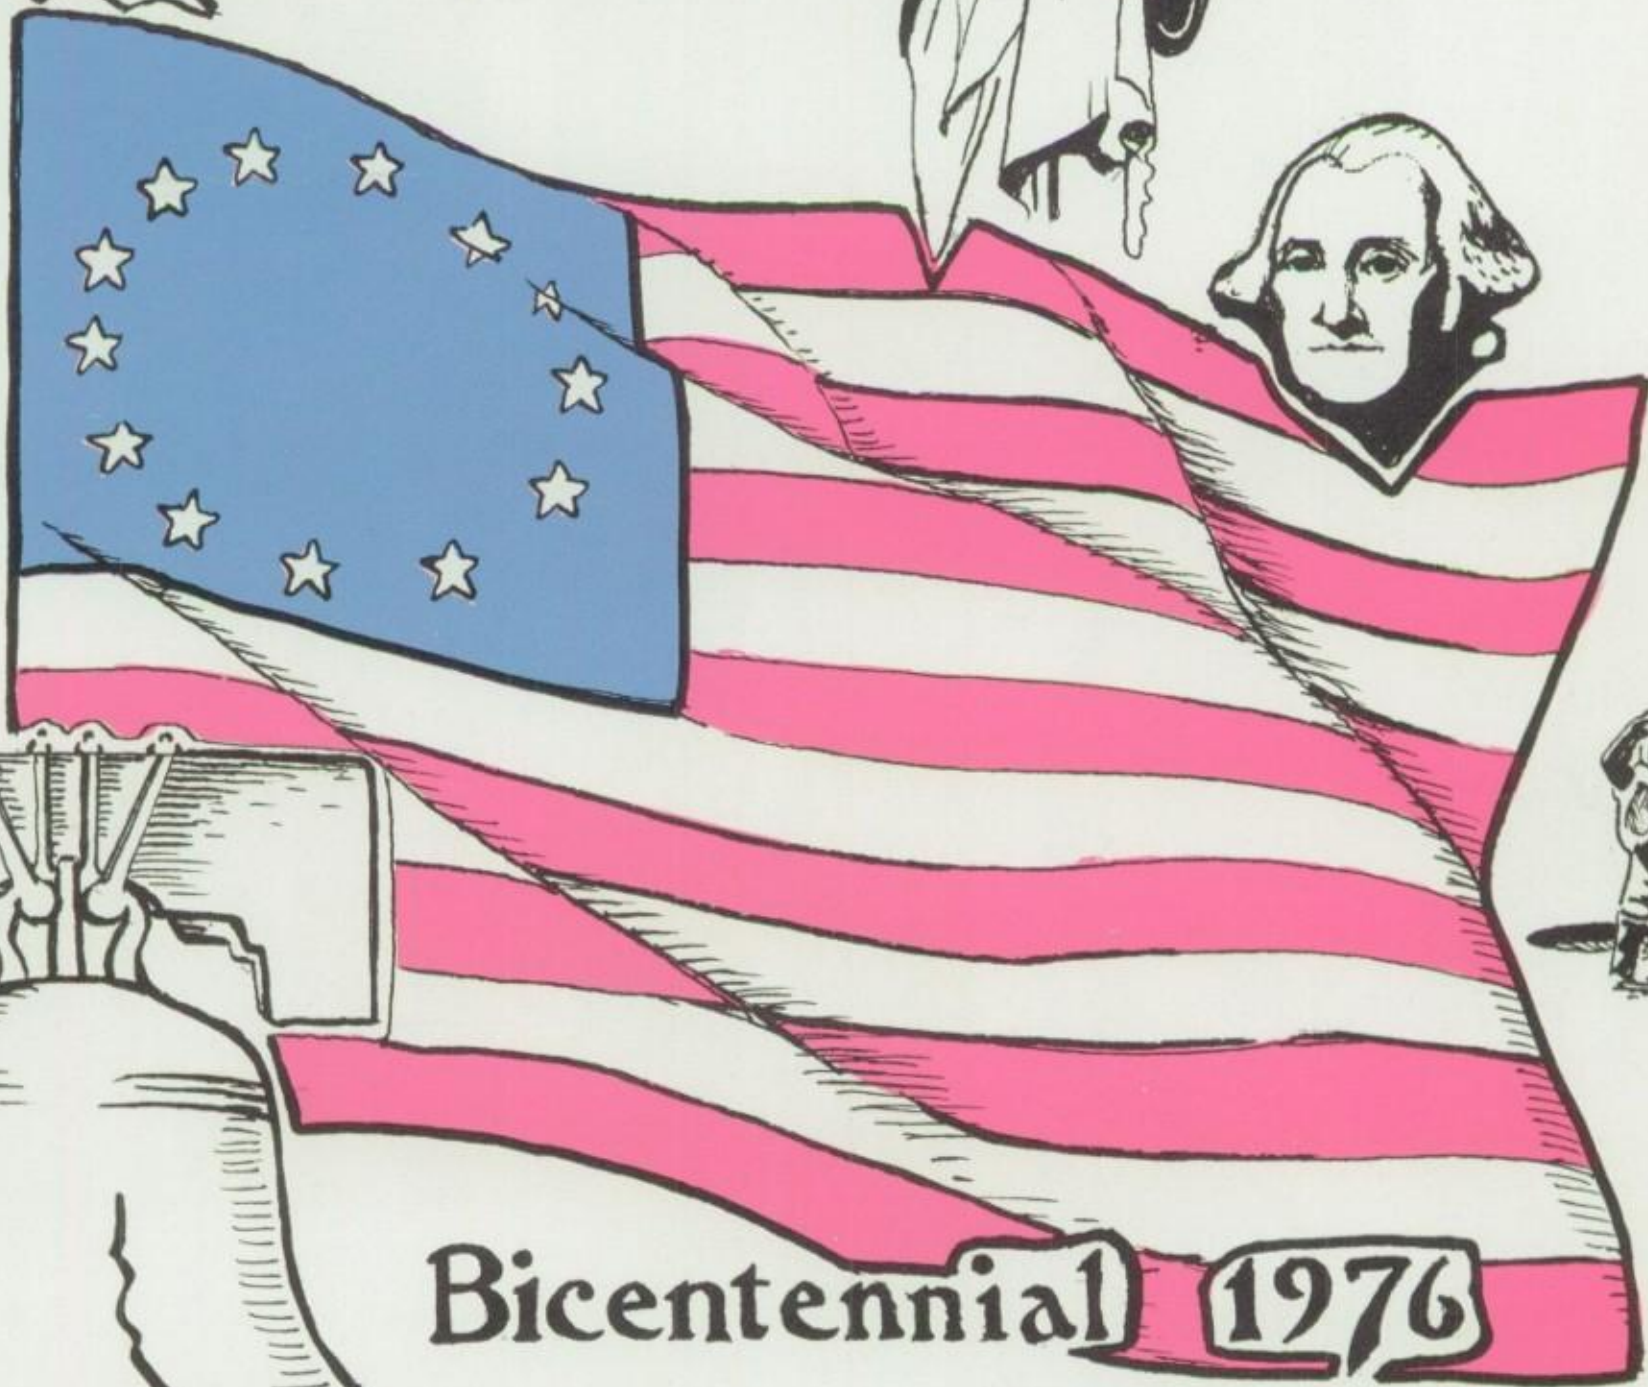

And this bird you'll never change.
And this bird you cannot change.
Lord knows, I can't change.
Lord help me, I can't change.

We The People

Bicentennial 1976

Senior dorms.

Oh! Oh! I think it's got me.

TJ's varsity ballet troupe.

Is recess over already?

Let's take it from the top.

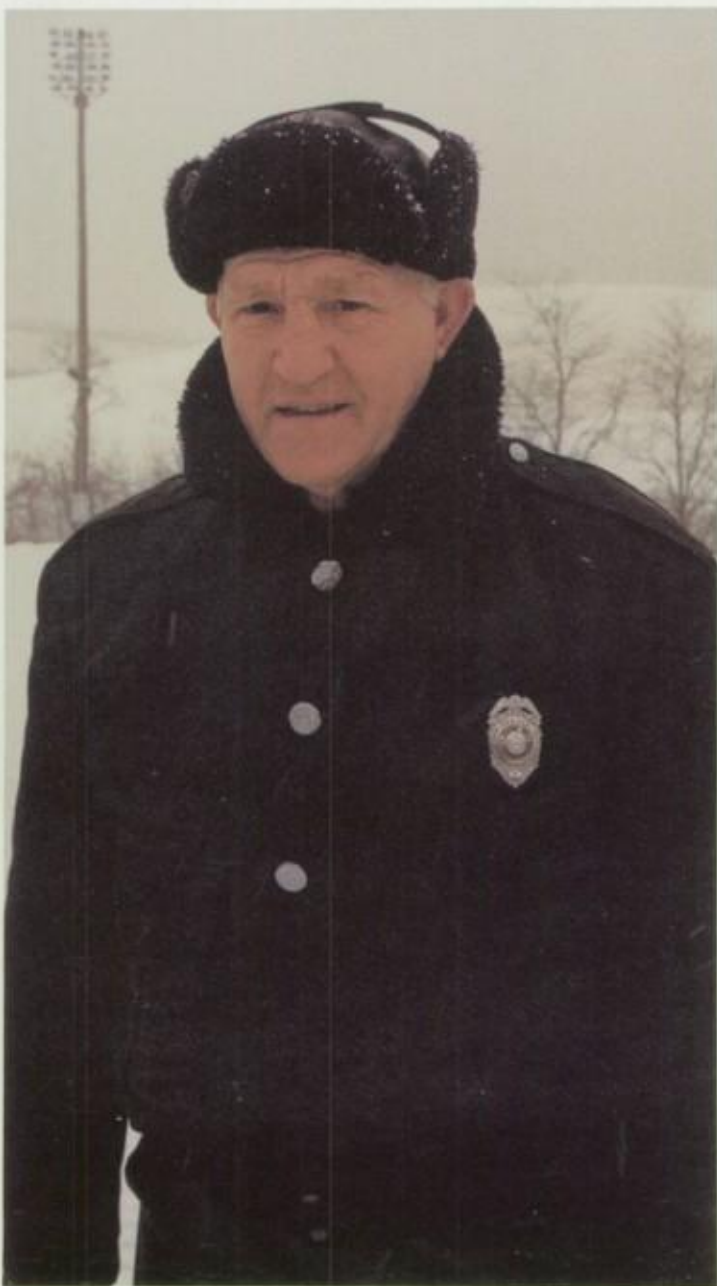

We demand a raise!

Oh! No! It's starting to wake up.

We're learning to crack a safe.

Somebody better turn the page.

My uniform told me . . . I need to use . . . multi-purpose shelky.

Troops . . . advance!

This seat's taken.

You can do better than that!

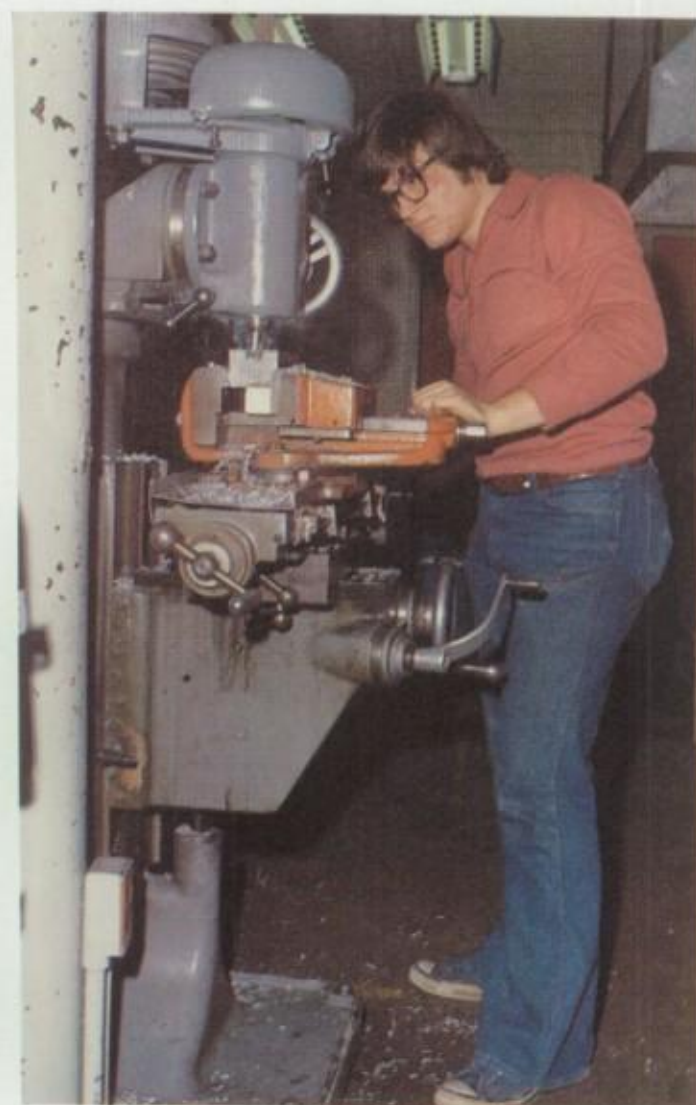

Keep on busin'!

How did you get
in there, Mom?

Are you sure William Tell started out like this?

Chips off an old block.

How in the heck did you get your head stuck in there?

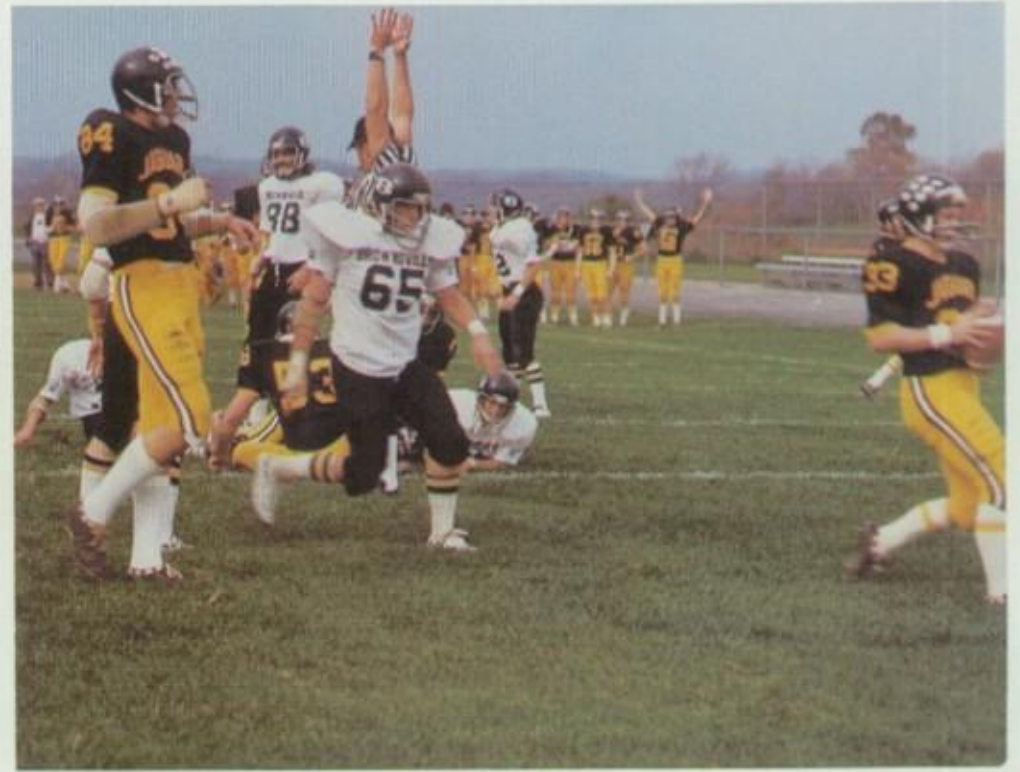

Now class, this is a pipe.

We'll huff and we'll puff and we'll blow the notes out.

Oh boy, we match!

Mrs. Purviance, Mrs. Webb and Mrs. Oblack for keeping our bills, records and accounts straight.

The People who had to cover all of my duties.

Mr. George Stewart who took one Syrian, one Italian and two remedials and made them organize a yearbook.

My Wife who understood.

The Entire Yearbook Staff for their many Saturdays.

In a more serious vein, there are three people who deserve a special "thanks": Lois Wright my Junior Editor; Joanne Sunnarborg, my Co-Editor; and, Pat DeNale, Editor, a truly "unique" young lady. Without these people working 3 to 5 hours a day and all day every Saturday, this book would not have been possible.

As the years pass away, we are certain that this book's value will increase many times in your mind. Remember: "This book will save your life".

Good luck Seniors!

Sincerely,

Larry D. Solomon

P.S. Thank you Patty: a job well done.

It was the wish of your Yearbook staff to present you with a Yearbook that would be different and yet contain a complete coverage of the 1975-76 school year.

Since this is our first attempt at a total yearbook, we may have missed several happenings but we think you will agree with us that we did achieve our goal.

We hope you are proud of, and pleased with your book and will have many happy hours reading it.

This year will have a very special meaning to me because of the personal experiences and memories afforded to me by the staff that has organized this book. Many acknowledgements and thank you's are in order:

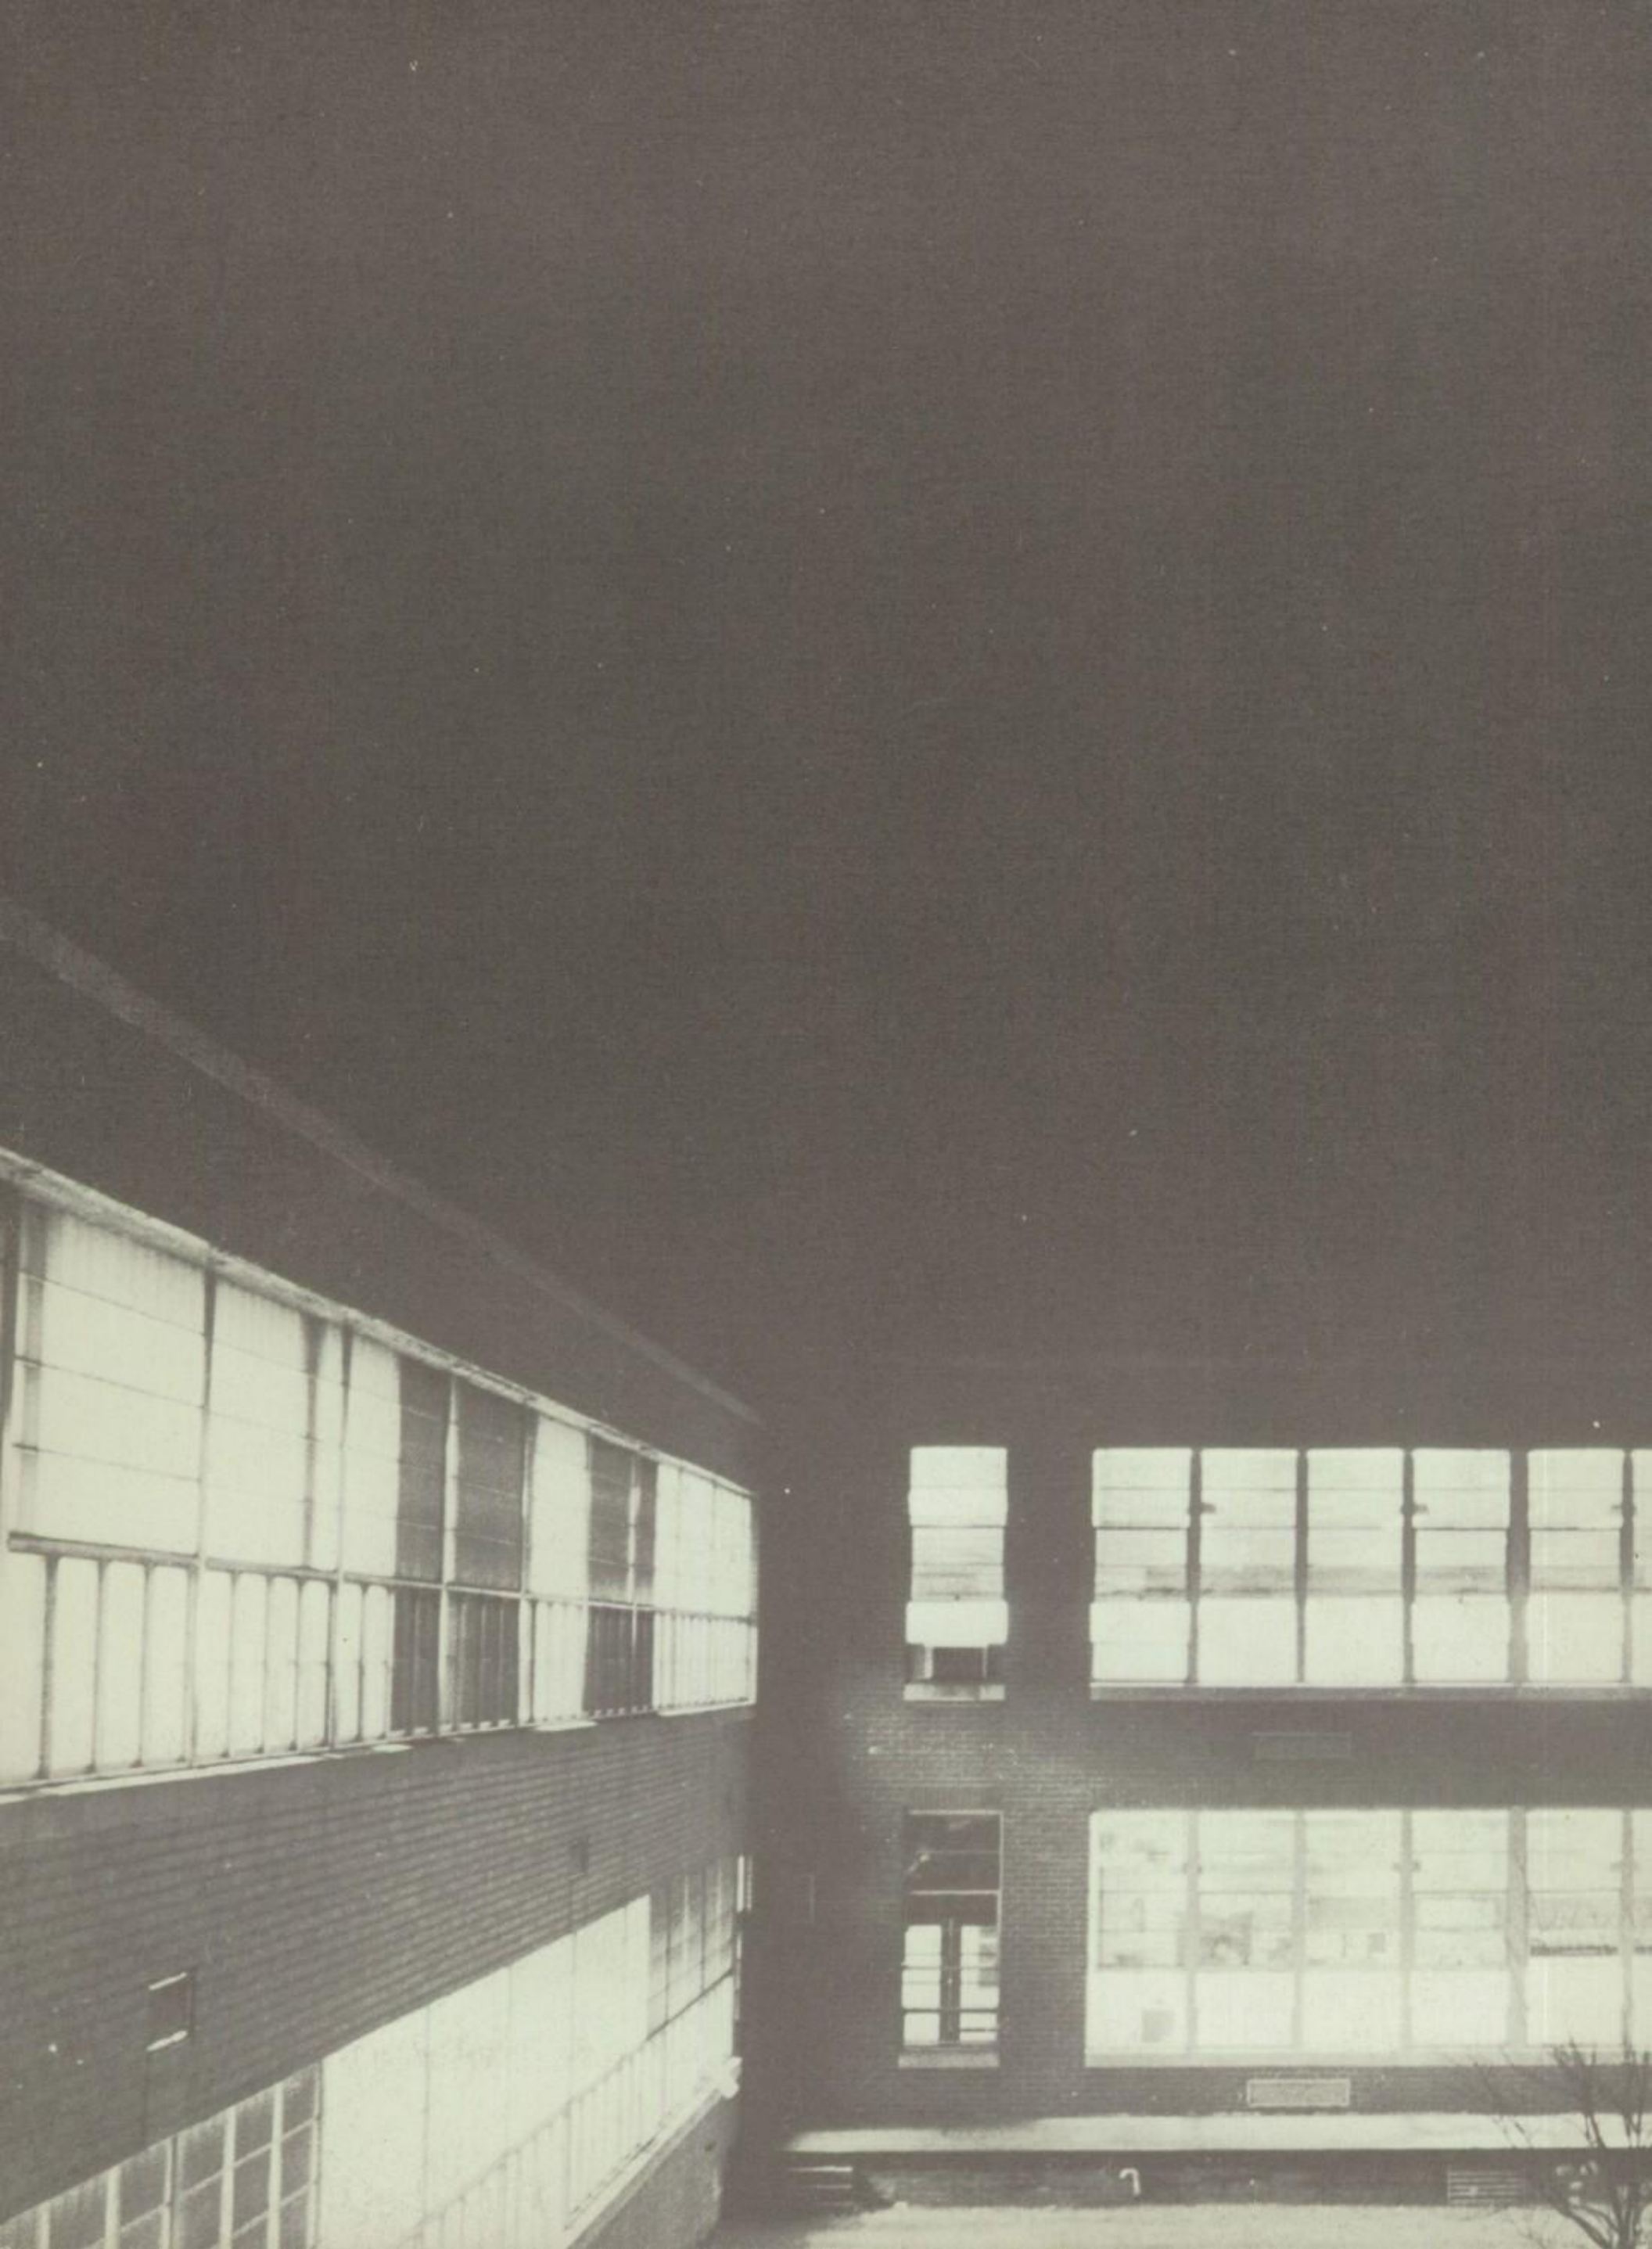

The Administration and Faculty for allowing me to interrupt classes and adjust schedules to get information and pictures necessary for this book.

The Language Department for "Moving Out".

The Senior Class for giving me gray hair and an ulcer.

Terrace Arcade Studios for film for our pictures.

Our Many Patrons . . . for without you, we would be reading a newspaper instead of this book.
